

# Curriculum Vitae

Name: Matthew Bret Weinger  
Office Phone: 615-936-6598  
Office Address: 1211 21st Ave So  
Nashville Tennessee, 37212-1212  
Work Email: matt.weinger@Vanderbilt.Edu

## Training

1978 B.S. in Electrical Engineering from Stanford University, CA United States  
1978 M.S. in Biological Sciences from Stanford University, CA United States  
1982 M.D. from University of California, San Diego, CA United States

## Licensure and Certification

1983 - Present Medical, California  
1987 - Present Boards, American Board of Anesthesiologists  
2005 - Present Medical, Tennessee

## Academic Appointments

09/2001 - 11/2004 Director, San Diego Center for Patient Safety, Univ. of California San Diego  
12/2004 - Present Professor of Biomedical Informatics, Vanderbilt University (Nashville, Tennessee)  
12/2004 - Present Professor of Anesthesiology, Vanderbilt University (Nashville, Tennessee)  
02/2005 - Present Norman Ty Smith Chair in Patient Safety and Medical Simulation, Vanderbilt University (Nashville, Tennessee)  
01/2011 - Present Professor of Medical Education and Administration, Vanderbilt University (Nashville, Tennessee)  
07/2011 - Present Director of Research, Center for Experiential Learning and Assessment, Vanderbilt University School of Medicine (Nashville, Tennessee)

## Other Work Experience

08/1979 - 06/1980 Systems Programmer & Technical Field Representative, Comp-U-Med Inc, Los Angeles, CA  
07/1985 - 01/1986 Clinical Instructor, Univ. of California San Francisco  
07/1985 - 12/1985 Freelance Anesthesiologist, Mt. Zion Hospital, St. Luke's Medical Center, Pacific Coast Hospital, San Francisco, CA  
08/1986 - 08/1986 Special Research Project Associate, The Mayo Clinic  
01/1987 - 12/2004 Staff Physician, VA San Diego Medical Center  
01/1987 - 06/1993 Assistant Professor, Univ. of California, San Diego  
09/1989 - 09/2002 Member, Univ. of California San Diego  
04/1990 - 05/1995 Adjunct Assistant Member, The Scripps Research Institute, La Jolla, CA  
07/1993 - 06/1998 Associate Professor, Univ. of California, San Diego  
05/1995 - 12/2004 Adjunct Associate Member, The Scripps Research Institute, La Jolla, CA  
09/1996 - 06/1997 Visiting Associate Professor, Stanford University  
07/1998 - 12/2004 Professor, Univ. of California San Diego  
01/2001 - 12/2004 Director, Univ. of California San Diego  
01/2005 - Present Staff Physician, Middle Tennessee VA Healthcare System

01/2005 - 11/2010	Co-Director, Center for Improving Patient Safety (CIPS), Vanderbilt University and the Middle Tennessee VA Healthcare System (Nashville, Tennessee)
01/2005 - 06/2011	Director, Simulation Technologies Program, Center for Experiential Learning and Assessment, Vanderbilt University (Nashville, Tennessee)
01/2005 - Present	Professor, Anesthesiology, Biomedical Informatics, and Medical Education, Vanderbilt University (Nashville, Tennessee)
01/2005 - 11/2010	Director, Center for Perioperative Research in Quality (CPRQ), Vanderbilt University Medical Center (Nashville, Tennessee)
06/2008 - Present	Vice Chair for Academic Affairs, Anesthesiology, Vanderbilt University School of Medicine (Nashville, Tennessee)
11/2010 - Present	Director, Center for Research and Innovation in Systems Safety, Vanderbilt University Medical Center (Nashville, Tennessee)

## Professional Organizations

1989	Association for the Advancement of Medical Instrumentation, Human Engineering Committee, Member
1997 - 2010	Association for the Advancement of Medical Instrumentation, Human Engineering Committee, Co-chairman
2001	Anesthesia Patient Safety Foundation, Education Committee
2003	Anesthesia Patient Safety Foundation, Research Committee
2005	Anesthesia Patient Safety Foundation, Executive Board of Directors
2005 - 2013	Food and Drug Administration, Center for Devices and Radiological Health, Consultant, Advisory Panel on Gastroenterology and Urological Devices
2006	American Society of Anesthesiologists, Member, Committee on Simulation Education
2006 - 2010	Society for Simulation in Healthcare, Member, Research Committee
2008	Anesthesia Patient Safety Foundation, Secretary
2008	American Board of Anesthesiology, Senior Associate Examiner
2009 - 2013	Agency for Healthcare Research and Quality, Technical Expert Panel on Computer-based Clinical Decision Support
2011	Association for the Advancement of Medical Instrumentation, Member, Board of Directors
2014	Anesthesia Quality Institute, Board of Directors
2014	Association for the Advancement of Medical Instrumentation, Vice Chair for Research, Board of Directors

## Professional Activities

### Extramural

N/A	Ad-hoc Reviewer for Anesthesia and Analgesia
N/A	Ad-hoc Reviewer for Anesthesiology
N/A	Ad-hoc Reviewer for British Medical Journal (BMJ)
N/A	Ad-hoc Reviewer for Journal of Biomedical Informatics
N/A	Ad-hoc Reviewer for Psychopharmacology
N/A	Ad-hoc Reviewer for Journal of Pharmacology and Experimental Therapeutics
N/A	Ad-hoc Reviewer for Brain Research
N/A	Ad-hoc Reviewer for Journal of Clinical Investigation
N/A	Ad-hoc Reviewer for American Journal of Obstetrics and Gynecology
N/A	Ad-hoc Reviewer for Pharmacology, Biochemistry, and Behavior
N/A	Ad-hoc Reviewer for Journal of Clinical Monitoring (originally, Journal of Clinical Monitoring and Computing)
N/A	Ad-hoc Reviewer for Neuropeptides
N/A	Ad-hoc Reviewer for Quality and Safety in Healthcare
N/A	Ad-hoc Reviewer for Human Factors
N/A	Ad-hoc Reviewer for Science
N/A	Ad-hoc Reviewer for Journal of the American Medical Association (JAMA)

N/A	Ad-hoc Reviewer for Health Services Research (HSR)
N/A	Ad-hoc Reviewer for Journal of Clinical Anesthesia
1988 - 1990	UCSD, Department of Anesthesiology: Resident Education Committee, Member
1991 - 1996	VA San Diego: Impaired Physician Advisory Committee, Member
1992 - 1997	VA San Diego: Drug Utilization Evaluation Committee (1991- 1996), Chairman
1994 - 1998	VA San Diego: Pharmacy and Therapeutics Committee (1990-1998), Vice Chairman
1994 - 1996	UCSD, Department of Anesthesiology: Visiting Professor Program, Director
1994 - 2004	UCSD, Department of Anesthesiology: Capital Equipment and Computer Committee, Chairman
1996 - 2002	Pharmacology, Biochemistry, and Behavior
1998 - 2001	VA San Diego: Research and Development Committee, Member
2001 - 2001	VA San Diego: Root cause analysis task force, Member
2002 - 2003	VA San Diego: Budget Subcommittee of the Research and Development Committee (2001-2003), Chair
2002 - 2004	UCSD, Department of Anesthesiology: Resident Oral Board Examination Process, Director
2004 - 2009	Associate Editor for AHRQ's Web M&M
2005 - Present	VA Nashville: Research and Development Committee, Adjunct member
2005 - Present	Vanderbilt, Department of Anesthesiology: Education Committee, Member
2005 - Present	Editorial Board for Human Factors
2006 - 2008	Vanderbilt, Department of Anesthesiology: Finance Committee, Vice Chairman
2006 - 2008	Vanderbilt, Department of Anesthesiology: Research Executive Committee, Vice Chairman
2007 - 2008	Vanderbilt, Department of Anesthesiology: Faculty Appointments and Promotions Committee (2005-present), Co-Chairman
2008 - Present	Vanderbilt, Department of Anesthesiology: Executive Committee, Member
2008 - Present	Vanderbilt, Department of Anesthesiology: Faculty Appointments and Promotions Committee (2005-present), Chairman
2008 - Present	Vanderbilt, Department of Anesthesiology: Faculty Affairs, Vice Chairman
2008 - Present	Editorial Board for Simulation in Healthcare
2010 - Present	Associate Editor for Human Factors, Health and Healthcare Systems

## Teaching Activities

N/A	<ul style="list-style-type: none"> <li>□ Dealing with Medical Error □ □ Lecture and panel discussion for fourth-year medical students in Spring quarter core course, Principles to Practice., Lecturer, UC San Diego</li> </ul>
N/A	<ul style="list-style-type: none"> <li>□ Medical Use of Opiate Drugs □ □ Lecture to Psychology undergraduate majors taking the Psychology 179 upper division course., Lecturer, UC San Diego</li> </ul>
N/A	<ul style="list-style-type: none"> <li>□ Personal and Professional Decision Making □ □ Full quarter 40-hour elective course for medical, biomedical graduate, and healthcare leadership masters students., Lecturer, UC San Diego</li> </ul>
N/A	<ul style="list-style-type: none"> <li>□ Introduction to Patient Safety and Medication Error □ □ Lecture and seminar to first-year pharmacy students in Spring quarter core course, Pharmacy Informatics., Lecturer, UC San Diego</li> </ul>
N/A	<ul style="list-style-type: none"> <li>□ Patient Safety □ A Systems Problem □ □ Annual lecture and seminar to second-year medical students in Fall quarter core course, Healthcare Delivery Systems., Lecturer, UC San Diego</li> </ul>
2005 - Present	Biannual seminar in human factors engineering for Dept of Biomedical Information, Lecturer and presenter, Vanderbilt University Medical Center
2005 - Present	Annual lecturer on human factors engineering to graduate medical students in Biomedical Informatics, Lecturer, Vanderbilt University Medical Center
2005 - Present	Frequent simulation course instructor for anesthesia residents, Trainer, Vanderbilt University Medical School
2005 - Present	Intermittent seminars and lectures for anesthesia residents, medical students, nursing students and others, Presenter, Vanderbilt University Medical Center
2005 - Present	Organize and participate in quarterly simulation courses for 3rd year medical students during Critical Care Skills Week with the Surgery Core Clerkship, Instructor, Vanderbilt University Medical Center
2007 - 2013	Foundations Teamwork Day for New Medical Students, Creator & Course Director, Vanderbilt University Medical School

## Research Supervision / Mentorship

N/A	Anne Miller, Ph.D., R.N. (Post-doc Fellow, General Mentorship)
N/A	Laurie Novak, Ph.D. (Post-doc Fellow, Research)
N/A	Alex Arnold (Undergraduate, Research)
N/A	Gina Whitney, M.D. (Faculty, Research)
N/A	Irving Ye (Medical Student, Research)
N/A	David Gonzales, M.D. Current Position: Simulation Consultant, San Diego, CA. (Post-doc Fellow, General Mentorship)
N/A	Allison Vredenburg, Ph.D. Current Position: Vredenburg and Associates (human factors consulting practice), Carlsbad, CA. (Post-doc Fellow, General Mentorship)
N/A	Gery Schulteis, Ph.D. University of California San Diego, Director of Research, VA San Diego Medical Center, Current Position: Professor of Neurosciences. (Post-doc Fellow, General Mentorship)
N/A	Steven Negus, Ph.D. Harvard University, Boston, MA, Current Position: Professor of Pharmacology. (Post-doc Fellow, General Mentorship)
N/A	Larry Dallen, M.D. Victoria General Hospital, Dept. of Anesthesiology, Victoria, BC, Canada, Current Position: Staff Anesthesiologist. (Post-doc Fellow, General Mentorship)
N/A	Scott Levin, Ph.D. Current Position: PhD Committee, Biomedical Engineering, Assistant Professor of Emergency Medicine, The Johns Hopkins University. (Graduate Student, General Mentorship)
N/A	Cynthia Leung, Ph.D. Temple University School of Medicine, Philadelphia, PA. (Post-doc Fellow, General Mentorship)
N/A	Mariana Vankova, M.D., Ph.D. Current Position: Industry. (Post-doc Fellow)
N/A	Dong-Yi Chen, Ph.D. Current Position: Industry. (Post-doc Fellow, General Mentorship)
N/A	Caroline Harriott, M.S. Current Position: PhD Committee, Electrical Engineering and Computer Science, Current PhD Student. (Graduate Student, General Mentorship)
N/A	Mark Rasmussen, M.D. US Navy Medical Corps, Camp Pendleton, CA, Current Position: Staff Anesthesiologist. (Post-doc Fellow, General Mentorship)
N/A	Nelda Ordonez, M.D. Current Position: Industry consultant, California. (Post-doc Fellow, General Mentorship)
N/A	Kim Unertl, Ph.D. Current Position: MS Thesis Advisor, Biomedical Informatics, Thesis Advisor; Assistant Professor of Biomedical Informatics, Vanderbilt University.. (Graduate Student)
N/A	Candice Griffith, Ph.D. Current Position: PhD Committee, Civil & Risk Engineering, Idaho National Engineering Laboratories. (Graduate Student)
2008 - 2012	Shilo Anders, Ph.D. (Post-doc Fellow, Research)
2011 - Present	Richard Holden, Ph.D. Vanderbilt University, Current Position: Assistant Professor of Internal Medicine and Public Health. (Faculty, Research)
06/2013 - 10/2013	Christiane Schubert, Ph.D. Loma Linda University, Current Position: Assistant Professor of Medical Education,. (Post-doc Fellow, General Mentorship)
01/2014 - Present	Tony Threatt, Ph.D. Vanderbilt Medical Center. (Post-doc Fellow, General Mentorship)

## Grants and Funding

Grant number unavailable Janssen Pharmaceutica ::: Neural mechanisms of opiate-induced rigidity Role: Principal Investigator Total Cost: \$40,000.00	1986 - 1987
Grant number unavailable UCSD Academic Senate ::: Pharmacokinetics of intracranial injections of opiate antagonists Role: Principal Investigator Total Cost: \$7,450.00	1987 - 1989

Grant number unavailable 1988 - 1989  
Veterans Administration Regional Advisory Group :::  
The neurochemical basis of opiate-induced muscle rigidity  
Role: Principal Investigator  
Total Cost: \$43,500.00

Grant number unavailable 1988 - 1990  
American Society of Anesthesiologists/Parker B. Francis Foundation :::  
Elucidation of the opiate receptor subtypes mediating opiate-induced muscle rigidity  
Role: Principal Investigator  
Total Cost: \$62,000.00

Grant number unavailable 1989 - 1990  
DuPont Pharmaceuticals :::  
Esmolol infusions in patients with coronary artery disease undergoing major abdominal surgery  
Role: Principal Investigator  
Total Cost: \$6,500.00

Grant number unavailable 1989 - 1992  
Veterans Administration Merit Review :::  
Neurochemical substrates of opiate-induced muscle rigidity  
Role: Principal Investigator  
Total Cost: \$115,900.00

Grant number unavailable 1990 - 1991  
Farnos Group :::  
Effects of alpha-2 agonists and antagonists on opiate-induced muscle rigidity  
Role: Principal Investigator  
Total Cost: \$10,000.00

Grant number unavailable 1990 - 1992  
Ohmeda Corporation :::  
Evaluation of modes of visual display: Effects on anesthetic vigilance  
Role: Principal Investigator  
Total Cost: \$21,000.00

Grant number unavailable 1991 - 1991  
Anesthesia Patient Safety Foundation :::  
Effects of modes of visual display on anesthetic vigilance  
Role: Principal Investigator  
Total Cost: \$3,500.00

Grant number unavailable 1991 - 1992  
UCSD Academic Senate :::  
Task and workload analysis of anesthesiologists: Effects of automated recordkeeping  
Role: Principal Investigator  
Total Cost: \$5,700.00

Grant number unavailable 1991 - 1993  
Diatek Corporation :::  
Clinical testing of an automated anesthesia recordkeeping network  
Role: Principal Investigator  
Total Cost: \$45,000.00

Grant number unavailable Roy E. Crummer Foundation ::: Anesthesia ergonomics Role: Principal Investigator Total Cost: \$5,000.00	1992 - 1993
Grant number unavailable ::: National Institute of Drug Abuse Opioid receptor pharmacology in opiate anesthesia Role: Principal Investigator Total Cost: \$276,000.00	1992 - 1995
Grant number unavailable ::: Glaxo Research Institute Double-blind evaluation of remifentanyl versus morphine sulfate for post-operative analgesia after total intravenous anesthesia Role: Principal Investigator Total Cost: \$4,000.00	1994 - 1995
Grant number unavailable ::: Glaxo Research Institute Multicenter randomized double-blind placebo-controlled study of ondansetron vs. droperidol prophylaxis in patients with prior history of post-operative nausea or vomiting undergoing ambulatory surgery Role: Principal Investigator Total Cost: \$64,500.00	1994 - 1995
Grant number unavailable Houghton Pharmaceuticals ::: The effects of HP228 on ventilation and analgesia when administered alone or in combination with morphine in human volunteers Role: Co-Principal Investigator Total Cost: \$14,800.00	1995 - 1995
Grant number unavailable Joseph Drown Foundation ::: Study of the mechanisms of meperidine-induced attenuation of post-anesthetic shivering in the rat. Role: Principal Investigator Total Cost: \$3,483.00	1995 - 1996
Grant number unavailable Organon Pharmaceutical ::: Cost-effectiveness analysis of perioperative management of major spine surgery Role: Principal Investigator Total Cost: \$10,000.00	1995 - 1996
Grant number unavailable Department of Veterans Affairs ::: In vivo pharmacology of delta opioid receptors Role: Principal Investigator Total Cost: \$30,400.00	1997 - 1997
Grant number unavailable Anesthesia Patient Safety Foundation :::	1997 - 1998

Scientific Measurement of Anesthesiologist Performance

Role: Principal Investigator

Total Cost: \$49,100.00

Grant number unavailable 1997 - 2000

National Institute on Drug Abuse :::

CNS delta opioid receptors in pain and drug abuse

Role: Co-Investigator

Total Cost: \$346,214.00

Grant number unavailable 1998 - 2000

National Institute on Drug Abuse :::

Modulation of opiate tolerance by chronic pain

Role: Co-Investigator

Total Cost: \$49,176.00

Grant number unavailable 1999 - 2001

National Patient Safety Foundation :::

Measurement of Clinical Expertise: Application to clinical training and patient safety

Role: Principal Investigator

Total Cost: \$99,953.00

Grant number unavailable 1999 - 2004

National Institute of Heart, Lung and Blood :::

Integration and Visualization of Physiologic Data

Role: Co-Investigator

Total Cost: \$90,396.00

Grant number unavailable 2000 - 2001

UCSD Academic Senate :::

Development and Evaluation of an Instrumented Laryngoscope

Role: Principal Investigator

Total Cost: \$9,023.00

Grant number unavailable 2001 - 2004

Department of Veterans Affairs, Health Services Research and Development Service :::

Unexpected Clinical Events: Impact on Patient Safety

Role: Principal Investigator

Total Cost: \$738,976.00

Grant number unavailable 2001 - 2005

Agency for Healthcare Research and Quality :::

Unexpected clinical events: Impact on Patient Safety

Role: Principal Investigator

Total Cost: \$240,475.00

Grant number unavailable 2001 - 2005

Agency for Healthcare Research and Quality :::

SDCERPS: Standardized encounters to study patient safety

Role: Principal Investigator

Total Cost: \$442,865.00

Grant number unavailable 2002 - 2002

Anesthesia Patient Safety Foundation :::  
Mechanics of Laryngoscopy  
Role: Co-Investigator  
Total Cost: \$64,774.00

Grant number unavailable 2003 - 2005  
Agency for Healthcare Research and Quality :::  
Real-time assessment of risk factors for medication errors  
Role: Co-Principal Investigator  
Total Cost: \$142,129.00

Grant number unavailable 2004 - 2005  
United States Food and Drug Administration, Center for Devices and Radiological Health :::  
Epidemiology of Infusion Pump Use and Use Error  
Role: Principal Investigator  
Total Cost: \$63,328.00

Grant number unavailable 2005 - 2007  
Agency for Healthcare Research :::  
Safe Critical Care: Testing Improvement Strategies  
Role: Co-Investigator  
Total Cost: \$387,362.00

Grant number unavailable 2006 - 2008  
Agency for Healthcare Research and Quality :::  
STRAIT: Simulation Training for Rapid Assessment and Improved Teamwork  
Role: Principal Investigator  
Total Cost: \$384,042.00

Grant number unavailable 2006 - 2010  
Donald W. Reynolds Foundation :::  
Vanderbilt-Reynolds Geriatrics Education Center  
Role: Co-Investigator  
Total Cost: \$1,099,837.00

Grant number unavailable 2007 - 2008  
Anesthesia Patient Safety Foundation :::  
Prevalence and nature of intraoperative distractions measurement of their impact on anesthesia care tasks, vigilance,  
workload and non-routine events  
Role: Co-Investigator  
Total Cost: \$127,075.00

SBIR (Phase 2) 2007 - 2009  
::: National Institute of Heart, Lung & Blood (NIHLB)  
Commercialization of a graphical display for critical care environments  
Role: Principal Investigator  
Total Cost: \$107,000.00

Grant number unavailable 2008 - 2011  
Veterans Administration Health Services Research and Development :::  
Operating Room Workload and Quality of Care  
Role: Principal Investigator  
Total Cost: \$755,900.00

Grant number unavailable		2008 - 2011
National Library of Medicine, National Institutes of Health (Rosenbloom, PI) :::		
A Framework based clinical documentation evaluation method		
Role: Co-Investigator		
Total Cost: \$916,362.00		
SB1341-11-CN-0011	Michael Wiklund (PI)	2011 - 2012
" National Institute of Standards and Technology (NIST)		
Develop usability guidelines and evaluation framework for electronic health records.		
Role: Co-Principal Investigator		
Total Cost: \$168,064.00		
Grant number unavailable	Laposata (PI)	2011 - 2013
" Centers for Disease Control (CDC)		
Pharmacogenomic Resource for Enhanced Decisions in Clopidogrel Treatment (PREDICT)		
Role: Co-Investigator		
Total Cost: \$643,196.00		
R18 HS020415-01	Matthew Weinger, MD (PI)	2011 - 2014
" Agency for Healthcare Research and Quality (AHRQ)		
Creating simulation-based performance assessment tools for practicing physicians		
Role: Principal Investigator		
Total Cost: \$858,377.00		
Grant number unavailable	Arna Banerjee, MD (PI)	2012 - 2014
" Foundation for Anesthesiology Education and Research (FAER)		
Factors contributing to global subjective clinical assessments.		
Role: Mentor		
Total Cost: \$99,985.00		
Grant number unavailable		2012 - 2014
NIH CTSA		
Design and evaluation of health information technology to support distributed cognitive work in chronic care.		
Role: Mentor		
Total Cost: \$182,000.00		
Grant number unavailable	Matthew Weinger, MD (PI)	2012 - 2014
" Patient Centered Outcomes Research Institute (PCORI)		
Patient-Centered Non-Routine Events to identify risks to best patient outcomes.		
Role: Principal Investigator		
Total Cost: \$750,681.00		
Grant number unavailable	Foundation for Anesthesiology Education and Research (PI)	07/2013 - 06/2015
□ Handover tool participatory design and educational training intervention to improve perioperative neonatal safety.		
Role: Mentor		
Total Cost: \$99,990.00		
R01 HS021496		08/2013 - 07/2017
Agency for Healthcare Research and Quality (AHRQ)		
□ Personal health information needs and practices for maternal fetal care□		
Role: Mentor		

Total Cost: \$1,062,220.00

Grant number unavailable 12/2013 - 11/2016

National Institute of Aging (NIA)

A human factors approach to support older chronically ill patients in home care

Role: Mentor

Total Cost: \$359,176.00

Grant number unavailable Rothman (PI) 01/2014 - 06/2016

Patient Centered Outcome Research Institute

Mid-south clinical data research network

Role: Co-Investigator

Total Cost: \$1,500,000.00

I01 HX001284 01/2014 - 12/2016

Veterans Administration Health Services Research and Development (VA HSRD)

Automated surveillance and intervention among patients with liver cirrhosis

Role: Co-Investigator

Total Cost: \$1,099,951.00

Grant number unavailable 10/2014 - 09/2017

Meta-level design guidance and operator performance measures for hybrid control rooms.

Role: Principal Investigator

Total Cost: \$558,594.00

## Honors / Awards

1978	Kappa Sigma International Scholarship-Leadership Award
1978	Award winner, IEEE-AEMB Student Paper Competition
1988	Parker B. Francis Foundation/American Society of Anesthesiologists Young Investigator Award
1992	Association of University Anesthetists (Elected).
04/1997	On-the-Spot Award, Food and Drug Administration, USPHS
1998	James S. Todd Memorial Award for Patient Safety Research, National Patient Safety Foundation
03/2003	¿Best of Meeting¿ Award for scientific presentation, International Anesthesia Research Society 76th Congress
2004	One of the top 100 notable people in the medical device industry, Medical Device and Diagnostic Industry magazine
03/2004	¿Best of Meeting¿ Award for scientific presentation, International Anesthesia Research Society 77th Congress
02/2006	Norman Ty Smith Chair in Medical Simulation and Patient Safety, Vanderbilt University
2010	Technical Committee Award, Association for the Advancement of Medical Instrumentation, for role as co-chair of the committee that published the American national standard, ANSI/AAMI HE75:2009
2010	Charles B. Pittinger Award for Excellence in Clinical/Translational Research, Department of Anesthesiology, Vanderbilt University
2012	Elected a Fellow of the Human Factors and Ergonomics Society, Human Factors and Ergonomics Society
05/2014	Laufman-Greatbach Award, AAMI Foundation, Honors an individual or group that has made a unique and significant contribution to the advancement of medical instrumentation, service, patient care, or patient safety.

## Presentations

### Other

1. California Association of Nurse Anesthetists, Annual meeting; 1987 Feb; Charting and communication: the role of the automated anesthesia record.
2. American Society of Dental Anesthetists, Annual meeting; 1987 Mar; Anesthetic vigilance: human factors affecting the anesthetist's performance.
3. Association of University Anesthetists, Annual meeting; 1987 May; Localization of brainstem sites which may play a role in alfentanil-induced muscle rigidity in the rat.
4. Society for Neuroscience, Annual meeting; 1987 Nov; The role of serotonergic pathways in alfentanil-induced muscle rigidity in the rat.
5. University of California San Diego, Anesthesia Update 1988; 1988 Jan; The new intra- venous anesthetics.
6. Loma Linda University School of Dentistry, Ninth Annual Anesthesia Symposium; 1988 Feb; Intravenous analgesia and sedation □ and □ Human factors affecting anesthetic vigilance.
7. Society for Neuroscience Annual Meeting; 1988 Nov; MPV-1440, a highly-selective alpha-2 agonist, prevents opiate-induced muscle rigidity.
8. University of California San Diego, Anesthesia Update; 1989 Jan; Reversal agents in Anesthesia.
9. Farnos Dexmedetomidine Symposium; 1989 Oct; The effects of a combination of alfentanil and dexmedetomidine on cardiorespiratory function and rigidity in rats.
10. Society for Neuroscience, Annual Meeting; 1989 Nov; Mu, but not delta or kappa, opioid receptors mediate opiate-induced muscle rigidity in the rat.
11. University of California San Diego, Anesthesia Update 1990; 1990 Jan; Human factors affecting vigilance.
12. Medical College of Wisconsin, Update 1990; 1990 Feb; Dexmedetomidine, a selective alpha-2 agonist, does not potentiate the cardiorespiratory depression of high-dose opiates in the rat.
13. California Medical Association Annual Meeting; 1990 Mar; Management of common cardiovascular problems in the ambulatory care setting.
14. McGill University / Royal Victoria Hospital, Dept. of Anesthesiology, Toronto, Ontario, Canada; 1990 Oct; Human factors affecting anesthesia vigilance.
15. Visiting Professor, University of Michigan Dept. of Anesthesiology; 1990 Oct; Human factors affecting the anesthesiologist's performance.
16. University of California San Diego, Anesthesia Update 1991; 1991 Jan; Automated anesthesia recordkeeping: is it going to help?.
17. California Society of Anesthesiologists, Case Conference; 1991 Mar; Postoperative respiratory distress following cholecystectomy. Intraoperative hypertension and ventricular tachycardia during emergency surgery.
18. Univ. of California, Los Angeles, Department of Anesthesiology, Anesthesia Practice 1991; 1991 Sep; Opiate-induced muscle rigidity. □ and □ Human factors affecting anesthesiologist vigilance and performance.
19. Visiting Professor, Georgetown University Dept. of Anesthesiology and the Anesthesiology Section of the National Institutes of Health; 1991 Sep; Human factors affecting anesthesiologist vigilance and monitoring performance.
20. American Society of Anesthesiologists Annual Meeting, Panel presentation, sponsored by the Association of VA Anesthesiologists; 1991 Oct; What affects our ability to gather information?.
21. American Society of Anesthesiologists Annual Meeting, Panel presentation; 1991 Oct; Factors affecting the performance of the trauma anesthesiologist.
22. Society for Technology in Anesthesia Annual Meeting; 1992 Jan; Human factors in the design of visual display technologies for anesthesiology.
23. University of California San Diego, Anesthesia Update 1992; 1992 Jan; Alpha-2 agonists in anesthesia.
24. 12th Vail Monitoring and Technology Meeting; 1992 Mar; Intraoperative task analysis and workload assessment for optimizing anesthesiologist and monitoring equipment performance.
25. Association of VA Nurse Anesthetists Annual Meeting; 1992 Apr; Human factors affecting performance of anesthesia personnel.
26. Visiting Professor, State University of New York at Buffalo; 1992 Jun; Anesthesia ergonomics: factors affecting vigilance and monitoring performance: I. Human and task factors; II. Equipment and system factors.
27. Society for Neurosciences, Annual meeting; 1992 Oct; The neuropharmacology of opiate-induced muscle rigidity in the rat.
28. American Society of Anesthesiologists Annual meeting, Panel presentation; 1992 Oct; The impact of the anesthesia task on vigilance.
29. New York Society of Anesthesiologists, Postgraduate Assembly, Panel presentation; 1992 Dec; Performance shaping factors.

30. University of California San Diego, Anesthesia Update 1993; 1993 Jan; What's new in opiates?.
31. Society for Technology in Anesthesia, Annual meeting (APSF-sponsored conference on Human Performance and Anesthesia Technology), Panel presentation; 1993 Feb; Performance Shaping Factors.
32. Association of University Anesthetists, Annual meeting; 1993 May; Preliminary studies on the central effects of opioid receptor-selective agonists in the spontaneously ventilating rat: I. Effects on ventilation.
33. Visiting Professor, University of Utah; 1993 May; Anesthesia ergonomics: factors affecting vigilance and monitoring performance. Opiate-induced muscle rigidity: patho-physiology and clinical implications.
34. Visiting Professor, University of Pittsburgh; 1993 Oct; Anesthesia ergonomics. Opiate-induced muscle rigidity: pathophysiology and clinical implications.
35. Emtek Corp, Tempe, AZ; 1993 Nov; Automated anesthesia recordkeeping.
36. University of California San Diego, Anesthesia Update 1994; 1994 Jan; Human error and decision making in anesthesia.
37. Cardiothoracic Research and Educational Foundation (CREF), 14th Annual San Diego Cardiothoracic Surgery Symposium; 1994 Feb; Factors affecting intraoperative performance.
38. Society of Cardiovascular and Interventional Radiology Annual Meeting, San Diego, CA.; 1994 Mar; Principles of conscious sedation.
39. Thirteenth Medical Monitoring Technology Conference, Vail, CO; 1994 Mar; Human factors in anesthesia. Designing for error. Equipment testing and validation.
40. University of California San Diego, Anesthesiology Review Course; 1994 May; Opiates: Basic principles and pharmacology. Opiates: Clinical applications.
41. Visiting Professor, University of Rochester, Department of Anesthesiology; 1994 Sep; Factors affecting anesthesia provider performance. Opioid receptor pharmacology in Opiate Anesthesia.
42. University of California San Diego, Department of Radiology, 14th Annual Interventional Radiology Course; 1994 Oct; Principles of conscious sedation.
43. Society for Neurosciences, Miami Beach, FL; 1994 Nov; Focal electrical stimulation increases muscle rigidity.
44. University of California San Diego, Anesthesia Update 1995; 1995 Jan; Monitoring the anesthesia work environment.
45. Visiting Professor, University of Maryland Dept. of Anesthesia; 1995 May; Factors Influencing Anesthesiologist Performance. Frontiers in Opiate Pharmacology.
46. ITCCAS. Eighth Annual Trauma Anesthesia and Critical Care Symposium. Baltimore, MD; 1995 May; Human Factors in Crisis Management.
47. Society of Anesthesiologists of the Republic of China (SAROC) Annual Congress; 1995 Sep; The impact of health care reform on anesthesiologists and their patients: an ergonomic perspective.
48. American Society of Anesthesiologists Annual Meeting, Panel presentation, Atlanta, GA; 1995 Oct; Performance Shaping Factors.
49. Human Factors and Ergonomics Society Annual Meeting, Panel presentation, San Diego, CA; 1995 Nov; Warnings in Medicine: Perspective on Alarms in Anesthesia.
50. Society for Neurosciences Annual Meeting, San Diego, CA; 1995 Nov; Pharmacology of delta opioid receptor agonists in the rat.
51. University of California San Diego, Anesthesia Update 1996; 1996 Jan; The CNS Effects of Intravenous Anesthetics.
52. Second Automation, Technology, and Human Performance Conference. Cocoa Beach, FL; 1996 Mar; Human-user medical device interaction in the anesthesia work environment. □ □ Automation and the professional user: anesthesiology: perspectives and considerations.
53. Food and Drug Administration (FDA), Washington D. C. Presentation to the Advisory Panel on Anesthesiology.; 1996 Apr; Remifentanyl: Outpatient Studies.
54. Association of University Anesthetists Annual Meeting, Boston, MA; 1996 May; Delta opioid receptor agonists show a clinically promising in vivo dose-effect profile for analgesia vs. side-effects in the rat.
55. Conference on Examining Errors in Healthcare (sponsored by AHCPR, JCAHO, and others), Rancho Mirage, CA; 1996 Oct; Scientific measurement of anesthesiologists' performance.
56. University of California San Diego, Anesthesia Update 1997; 1997 Jan; The impact of health care reform on cost and quality in anesthesia.
57. Yale University Department of Anesthesiology, 3rd Anaesthesia and Critical Care Symposium, Killarney, Co. Kerry, Ireland; 1997 Sep; Understanding anesthetic mishaps.
58. American Society of Anesthesiologists, Annual meeting, Panel Presentation, San Diego, CA; 1997 Oct; Anesthesia Vigilance.
59. Health Services Research Seminar Series, Division of Health Sciences, Department of Family and Preventative Medicine, UCSD; 1998 Jan; Human factors and clinical performance assessment.
60. Second Annual Conference on Enhancing Patient Safety and Reducing Errors in Health Care, Rancho Mirage, CA; 1998 Nov; Evaluation of the effects of fatigue and sleepiness on clinical performance in on-call anesthesia

residents during actual night time cases and in simulated cases.

61. University of California San Diego, Anesthesia Update 1999; 1999 Jan; Enhancing your power and influence on the OR team.
62. Medical Design and Manufacturing West 99, Anaheim, CA; 1999 Jan; The clinician's view: User-centered design makes a difference.
63. Visiting Professor, University of Arizona Department of Anesthesiology, Tucson, AZ; 1999 Jun; Getting the Job You Want. Human Error in the Operating Room.
64. Human Factors and Ergonomics Society 43rd Annual Meeting, Colloquium Presentation, Houston, TX; 1999 Sep; Human Factors Issues in the Operating Room.
65. 13th Annual Kaiser Permanente Anesthesia Symposium, San Francisco, CA; 1999 Nov; How will new technology change our work environment?.
66. Workshop on Clinical Information Visualization, University of Utah, Salt Lake City, UH; 1999 Dec; Overview of display issues in anesthesiology.
67. University of California San Diego, Anesthesia Update 2000; 2000 Jan; Human, environmental, and system factors affecting clinical decision making.
68. Society for Cardiovascular Anesthesia, Annual Program, Orlando, FL; 2000 May; Impact of transesophageal echocardiography on expert performance.
69. Partnership for Patient Safety - Building Systems that Do No Harm: Advancing Patient Safety Through Partnership and Shared Knowledge, Dallas, TX; 2000 Jun; A human factors approach to medical device design to enhance patient safety.
70. International Ergonomics Association 14th Triennial Congress and the Human Factors and Ergonomics Society 44th Annual Meeting, Panel presentation, San Diego, CA; 2000 Jul; Designing for medical work domains: Challenges, directions, and opportunities.
71. International Ergonomics Association 14th Triennial Congress and the Human Factors and Ergonomics Society 44th Annual Meeting, Symposium, San Diego, CA; 2000 Aug; Auditory warnings in the medical work domain.
72. International Ergonomics Association 14th Triennial Congress and the Human Factors and Ergonomics Society 44th Annual Meeting, Panel presentation, San Diego, CA; 2000 Aug; Global standardization of human factors for medical devices and systems.
73. American Society of Anesthesiologists Annual Meeting, Panel presentation, San Francisco, CA; 2000 Oct; What's wrong with our current physiological displays.
74. Anesthesia Patient Safety Foundation, Board of Directors Retreat, San Francisco, CA; 2000 Oct; A utopian perioperative system.
75. Food and Drug Administration, Center for Devices and Radiological Health; 2001 Feb; A Clinical Perspective on Integrating Human Factors Engineering Into Medical Device Design and Development. A live interactive videoconference for medical device manufacturers.
76. AAMI/FDA 11th Annual International Conference on Device Standards and Regulation, Arlington, VA; 2001 Jun; Human Factors Engineering: A Look at the Revisions and Regulatory Implications of the AAMI Standard.
77. American Medical Informatics Association: AMIA 2001 Symposium, Washington, D.C.; 2001 Nov; Human factors research in anesthesia patient safety.
78. Society for Technology in Anesthesia Annual meeting, Santa Clara, CA; 2002 Jan; What's wrong with current IV drug delivery processes?.
79. University of California San Diego, Department of Medicine Grand Rounds; 2002 Feb; Patient safety: A systems problem.
80. European Society of Anaesthesiologists 10th Anniversary Meeting, Euroanaesthesia 2002, Nice, France; 2002 Apr; How to improve anaesthesia equipment.
81. Chang Gung Memorial Hospital, Chang Gung University, Taipei, Taiwan; 2002 May; Anesthesia ergonomics: Understanding the factors affecting quality of care.
82. Visiting Professor, University of Pittsburgh, Department of Anesthesiology, Pittsburgh, PA; 2002 May; Current advances in anesthesia patient safety.
83. Agency for Healthcare Research and Quality (AHRQ) and University of Maryland Shock-Trauma Center, Video as Research Data Conference, Baltimore, Maryland; 2002 Sep; Video capture of anesthesia non-routine events.
84. SAFER California Healthcare 1st Annual Patient Safety Summit, Panel presentation, Orange County, CA; 2002 Sep; Enhancing safety at the point of care.
85. Human Factors and Ergonomics Society Annual Meeting, Panel presentation, Baltimore, MD; 2002 Oct; Human factors contributions to patient safety.
86. Society for Technology Annual Meeting, San Diego, CA; 2003 Jan; Assessing the impact of reading on anesthesia providers' vigilance, clinical workload, and task distribution.
87. University of California San Diego, Anesthesia Update 2003; 2003 Jan; Simulation training: How good can you become?.
88. University HealthSystem Consortium, Management and Supply Services Forum 2003, Respiratory Therapy Council Meeting, Scottsdale, AZ; 2003 Feb; Patient safety: Evidence for a systems problem.

89. VA Health Services Research and Development Service National Meeting, Washington, D.C.; 2003 Feb; Non-routine events and factors affecting anesthesia patient safety.
90. San Diego Center for Patient Safety, 1st Annual San Diego Patient Safety Conference, La Jolla, CA; 2003 Mar; Introduction to the San Diego Center for Patient Safety. Patient Safety at the Sharp End □ Anesthesia and Critical Care.
91. National Patient Safety Foundation, 5th Annual Patient Safety Congress, Washington, D.C.; 2003 Mar; Videoanalysis of anesthesia non-routine events.
92. Centers for Disease Control, 2003 Quality Institute Conference, Atlanta, GA; 2003 Apr; Laboratory medicine □ s role in patient safety at the □ sharp end □ : One clinician □ s perspective.
93. Naval Medical Center San Diego, Department of Anesthesiology, Grand Rounds; 2003 May; Anesthesia patient safety.
94. Association of University Anesthesiologist □ s 50th Anniversary Meeting, Milwaukee, WI; 2003 May; A human factors approach to anesthesia patient safety research: Understanding non-routine events and clinical decision making.
95. Visiting Professor, University of Michigan Department of Anesthesiology, Ann Arbor, MI; 2003 Nov; Update on anesthesia patient safety.
96. Wake Forrest University/Bowman Gray School of Medicine Department of Anesthesiology, Update in Physiology and Pharmacology, Sea Island, GA; 2003 Nov; Fatigue and sleep deprivation in anesthesiology: Does it matter?.
97. Taiwan Patient Safety Symposium 2003, Linkou, Taiwan, ROC; 2003 Dec; An introduction to medical simulation.
98. Visiting Professor, Washington University St. Louis Department of Anesthesiology. St. Louis, MO; 2003 Dec; Understanding patient safety at the sharp end.
99. Society for Technology in Anesthesia Annual Meeting, Santa Fe, New Mexico; 2004 Jan; A human factors design process for medical devices and systems.
100. University of California, San Diego, Department of Medicine, Topics and Advances in Internal Medicine; 2004 Feb; A systems approach to understanding and improving patient safety.
101. Visiting Professor, Emory University Department of Anesthesiology. Atlanta, GA; 2004 Apr; Advances in patient safety □ and □ Clinician fatigue and sleep deprivation: Does it really matter?.
102. National Patient Safety Foundation, 6th Annual Patient Safety Congress. Boston, MA; 2004 May; Simulation in patient safety research.
103. Agency for Healthcare Research and Quality, Third Annual Patient Safety Conference. Washington, DC; 2004 Sep; Video Tools and Techniques for Patient Safety Education and Training Panel.
104. Agency for Healthcare Research and Quality, Third Annual Patient Safety Conference. Washington, DC; 2004 Sep; Simulation in Safety Research & Training.
105. Human Factors and Ergonomics Society 48th Annual Meeting, Panel presentation, New Orleans, LA; 2004 Sep; The role of human factors in healthcare in 2020.
106. Human Factors and Ergonomics Society 48th Annual Meeting. New Orleans, LA; 2004 Sep; President □ s Forum: The role of human factors and ergonomics in the emerging healthcare crisis.
107. Sharp Healthcare, Second Annual Patient Safety Conference, San Diego, CA; 2004 Sep; Using simulations to improve patient safety.
108. Visiting Professor, Massachusetts General Hospital Department of Anesthesiology. Boston, MA; 2004 Oct; Non-routine events in anesthesiology.
109. Vanderbilt University, Department of Anesthesiology, Grand Rounds, Nashville, TN; 2005 Jan; Understanding Patient Safety at the Sharp End: A Human Factors Approach.
110. International Meeting on Medical Simulation, Miami, FL; 2005 Jan; Observing and Measuring Behavior □ Where Angels Fear to Tread.
111. Anesthesiology Update 2005, San Diego, CA; 2005 Jan; Improving Personal Job Satisfaction.
112. AAMI/FDA International Standards Conference, panel presentation, Reston, VA; 2005 Mar; Human Factors and Patient Safety: Discussion of National and International Standards.
113. International Anesthesia Research Society, panel presentation, Honolulu, HI; 2005 Mar; OR of the Future: Challenges and Opportunities.
114. American Society of Quality: Tennessee Chapter, Nashville, TN; 2005 Mar; THE HUMAN FACTOR: How Humans Can Make or Break Safety (and Quality).
115. AAMI Human Factors Engineering, Ergonomics, and Patient Safety for Medical Devices Conference. Washington, DC; 2005 Jun; Human Factors Engineering and Patient Safety: The Clinician □ s Perspective □ and □ Legal and Liability Risks in Medical Device Design.
116. AHRQ Patient Safety and Informatics Conference, Panel presentation, Washington DC; 2005 Jun; Informatics and Human Performance in Healthcare: Blessing or Curse?.
117. Human Factors and Ergonomics Society 49th Annual Meeting. Orlando, FL; 2005 Sep; Informatics in Health Care: The Good, the Bad, and the Ugly.

118. US Food and Drug Administration, MedSun Annual Conference. San Diego, CA; 2005 Oct; What's Wrong with the IV Therapy? Understanding Medical Device Use Errors.
119. Yokohama City University School of Medicine. Yokohama, Japan; 2005 Nov; Introduction to Patient Safety/Understanding Patient Safety.
120. Visiting Professor, University of Wisconsin, Department of Industrial Engineering. Madison, WI; 2005 Nov; Understanding Patient Safety at the Sharp End. A Human Factors Approach to Studying Medical Work.
121. Visiting Professor, The Ohio State University, Institute of Ergonomics (Department of Industrial Engineering). Columbus, OH; 2006 Apr; Profiles in Outrage: Medical device design failures. A human factors approach to understanding medical work.
122. Laerdal Simulation User Group Meeting. Salt Lake City, UT; 2006 Apr; Simulation and Patient Safety.
123. Global Harmonization Task Force (GHTF) Annual Conference on Design for Patient Safety. Workshop Co-Leader (with Michael Wiklund), Lubeck, Germany; 2006 Jun; Design for Safety 1 and 2.
124. Global Harmonization Task Force (GHTF) Annual Conference on Design for Patient Safety, Plenary Session Speaker, Lubeck, Germany; 2006 Jun; Post-Market Surveillance.
125. Institute for Healthcare Improvement, Health Professions Collaborative Meeting, Panel Organizer, Moderator, and Speaker, Nashville, CA; 2006 Oct; Simulation to enhance interdisciplinary education of healthcare professionals.
126. North Carolina Society of Anesthesiologists, Fall Session XXVI: Make My Day: Complications in Anesthesia Practice. Myrtle Beach, South Carolina; 2006 Oct; Workload Issues: Why can't I be 100% all of the time?.
127. International Meeting on Healthcare Simulation, Panel presentation, Orlando, FL; 2007 Jan; Some (hopefully provocative) thoughts on the future of SPs in healthcare.
128. Tennessee Society of Anesthesiologists Annual Meeting, Nashville, TN; 2007 Feb; Why can't I be 100% all of the time? Performance shaping factors in anesthesia.
129. Keynote Speaker, Brody School of Medicine, Eastern Carolina University, Keeping our Patients Safe: The Role of Simulation in Healthcare Education. Greenville, NC; 2007 Apr; Simulation in patient safety: The Vanderbilt experience.
130. Visiting Professor, University of North Carolina Department of Anesthesiology Grand Rounds, Raleigh-Durham, NC; 2007 May; Why can't I be 100% all of the time? Performance shaping factors in anesthesia.
131. Keynote Speaker, University of California, San Diego School of Medicine Alumni Reunion, San Diego, CA; 2007 Sep; Understanding Patient Safety at the Sharp End.
132. Wake Forrest University Department of Anesthesiology, 13th Annual Advances in Physiology and Pharmacology in Anesthesia and Critical Care, Hilton Head, SC; 2007 Oct; Pain free, but at what cost? Anesthesia Provider Cognition and Fitness for Duty.
133. Human Factors and Ergonomics Society 51st Annual Meeting, Baltimore, MD; 2007 Oct; Simulation Training for Rapid Assessment and Improved Teamwork - Lessons Learned from a Project Evaluating Clinical Handoffs.
134. Visiting Professor, University of Louisville Department of Anesthesiology, Louisville, KY; 2007 Dec; Anesthesia Patient Safety: Understanding Medical Error and the Factors Affecting Clinical Performance.
135. Arizona State Society of Anesthesiologists, 34th Annual Scientific Meeting. Scottsdale, AZ; 2008 Feb; Performance Shaping Factor: Why aren't we 100% all of the time. The risks of post-operative opioids. Perioperative teamwork and communication.
136. Emory University Department of Anesthesiology, New Horizons in Anesthesiology, Steamboat Springs, CO; 2008 Feb; Decision making in Anesthesiology, and in life. Making medical technology more user friendly. Perioperative teamwork and communication. Sleepy people putting people to sleep.
137. National Patient Safety Foundation, 2008 Annual NPSF Patient Safety Congress. Nashville, TN; 2008 May; How To Use Simulation to Move Your Patient Safety Agenda Forward: Overcoming barriers to using simulation for patient safety.
138. 1st International Conference on Human Engineering in Patient Safety, Strasbourg, France; 2008 Jun; Non-routine events in healthcare.
139. University of Arizona and the McDonnell Foundation, Cognitive Basis for Safe Practice: Rethinking Error in Critical Care, Phoenix, AZ; 2008 Sep; System interactions, coordination, and ICU safety.

### Visiting Professor

1. Ward of the Twenty-First Century. University of Calgary and Alberta Health Services; Calgary, Canada. 2011 Mar 28; Human factors contributions to safer surgery.
2. Department of Anesthesiology, Children's Hospital of Philadelphia; Philadelphia, Pennsylvania. 2012 Sep 5; Cognitive biases in personal and professional decision making.
3. Department of Anesthesiology, Washington University, St. Louis School of Medicine; St. Louis, Missouri. 2012 Dec 18; Human factors research in healthcare: Making a difference.
4. Department of Anesthesiology, Columbia University School of Medicine; New York, New York. 2013 May 22; What every anesthesiologist needs to know about patient safety but is afraid to ask (Sydney Winchell Memorial Lecture) and Understanding perioperative work (Research seminar).

5. Department of Surgery. Houston Methodist Hospital; Houston, Texas. 2014 Jul 8; Improving healthcare quality through human factors and simulation research.
6. Toronto, Canada. 2014 Sep 22; Human factors engineering in healthcare.

### **Invited Presentation - National**

1. Chicago Beginnings: Health Care Risk in 2010. Willis Health Care Practice 14th Annual Forum; Chicago, Illinois. 2010 Jul 21; Medical simulation to reduce risk: Competency, communication, and culture.
2. Anesthesia Chiefs Conference. Department of Veterans Affairs; Las Vegas, Nevada. 2010 Sep 15; Risks of anesthesiology technology.
3. Anesthesia Chiefs Conference. Department of Veterans Affairs; Las Vegas, Nevada. 2010 Sep 15; Performance shaping factors in anesthesia care.
4. Human Factors and Ergonomics Society Annual Meeting. HFES; San Francisco, California. 2010 Sep 29; Arnold S. Small Safety Lecture. If not by you, who? Human factors contributions to perioperative patient safety.
5. Infusion Pump Summit. Food and Drug Administration/Association for the Advancement of Medical Instrumentation; Silver Springs, Maryland. 2010 Oct 5; Interface considerations for infusion technology.
6. FAER panel: Do the Missions of Education, Research, and Clinical Care Allow for Quality Excellence?. American Society of Anesthesiologists Annual Meeting; San Diego, California. 2010 Oct 18; Quality care: The new realities of multidisciplinary team care.
7. Post-Graduate Assembly. New York Society of Anesthesiologists; New York City, New York. 2010 Dec 13; Performance shaping factors in anesthesiology.
8. Consensus Conference. Anesthesia Patient Safety Foundation; Scottsdale, Arizona. 2011 Jun 8; Essential Monitoring Strategies to Detect Clinically Significant Drug-Induced Respiratory Depression in the Postoperative Period.
9. 142. Agency for Healthcare Research and Quality Technical Expert Panel on Computer-Based Decision Support (CDS), special session on CDS usability.. AHRQ; Rockville, Maryland. 2011 Aug 4; What will it take to make CDS more usable and used?.
10. American Nuclear Society 8th International Topical Meeting on Nuclear Plant Instrumentation, Control and Human Machine Interface Technologies.. American Nuclear Society; San Diego, California. 2012 Jul 23; Can nuclear power learn anything from healthcare & vice versa?.
11. Workshop on the Safety of the Surgical Home. Scottsdale, Arizona. 2014 Sep 2; The perioperative surgical home: Will the glass be half empty or will we order cheeseburgers?.
12. American Society of Anesthesiologists Annual Meeting. Anesthesia Patient Safety Foundation; New Orleans, Louisiana. 2014 Sep 2; Competence and teamwork are not enough: Implementing emergency manuals and checklists.

### **Invited Presentation - International**

1. 57 Congresso Brasileiro de Anestesiologia/7 Congresso de Dor da Sociedade Brasileira de Anestesiologia. Brazilian Society of Anesthesiology; Porto Allegro, Brazil. 2010 Nov 21; The development of a national database on adverse events in anesthesia.
2. 57 Congresso Brasileiro de Anestesiologia/7 Congresso de Dor da Sociedade Brasileira de Anestesiologia. Brazilian Society of Anesthesiology; Porto Allegro, Brazil. 2010 Nov 21; Simulation as a learning tool.
3. 57 Congresso Brasileiro de Anestesiologia/7 Congresso de Dor da Sociedade Brasileira de Anestesiologia. Brazilian Society of Anesthesiology; Porto Allegro, Brazil. 2010 Nov 22; The risks of anesthesia technology.
4. CME Congress 2012. Toronto, Canada. 2012 May 30; Human factors, patient safety, and a systems approach to continuous clinician learning.
5. CME Congress 2012. Toronto, Canada. 2012 May 30; Patient Safety and Human Factors Engineering in Continuing Medical Education.
6. Euroanaesthesia 2013 Congress. Barcelona, Spain. 2013 Jun 3; Non-routine events.
7. Xiangya International Forum on Simulation and Patient Safety.. Changsha, Hunan, China. 2013 Sep 13; Simulation research to advance medical education and patient care.
8. International Annual Meeting of the Human Factors and Ergonomics Societ. Human Factors and Ergonomics Societ; San Diego, California. 2013 Oct 3; □ A tribute to Bentzi Karsh: Health information technology.
9. Sao Paulo Society of Anesthesiologist Annual State Meeting. Sao Paulo, Brazil. 2014 May 30; "Maintenance of competence in anesthesiology-fallacies and facts", "The design and use of anesthesia technology-help or hindrance?" "Learning from adverse events", and "Healthcare (cost) reform and patient safety".
10. 21st Annual Anesthesia Winterlude Symposium. Ottawa, Canada. 2015 Jan 31; Equipment design and human factors.

### **Invited Presentation - Other**

1. American Society of Anesthesiologists Practice Management Conference. American Society of Anesthesiologists; Las Vegas, Nevada. 2013 Jan 26; Fatigue and sleep deprivation.

2. Human Factors and Ergonomics Society 2nd Annual Healthcare Symposium. Human Factors and Ergonomics Society; Baltimore, Maryland. 2013 Mar 11; The role of clinical simulation in medical device design and evaluation □ and □ Clinician workload and non-routine events in perioperative care □ and □ Technology related Non-Routine Events. □ .
3. Society for Pediatric Anesthesiology Annual Meeting.. Society for Pediatric Anesthesiology; Las Vegas, Nevada. 2013 Mar 16; □ Technology and safety in healthcare □ and Leader and presenter, □ Event analysis □ workshop.
4. Minnesota Society of Anesthesiologists Annual Meeting, Minneapolis, MN. Minnesota Society of Anesthesiologists; Minneapolis, Minnesota. 2013 Apr 19; □ Anesthesia Provider Cognition and Fitness for Duty □ and □ Medical technology and patient safety □ .
5. Georgia Society of Anesthesiologists 2013 Summer Meeting. Georgia Society of Anesthesiologists; Hilton Head, South Carolina. 2013 Jul 19; □ Fitness for duty □ and Meaningful use of Health Information Technology for anesthesiology.
6. International Annual Meeting of the Human Factors and Ergonomics Society. Human Factors and Ergonomics Society; San Diego, California. 2013 Oct 2; □ A rewarding research career in healthcare human factors.
7. International Annual Meeting of the Human Factors and Ergonomics Society. Human Factors and Ergonomics Society; San Diego, California. 2013 Oct 3; Healthcare technology standards: AAMI HE-75, The Design of Medical Devices.
8. HIT Patient Safety Symposium at HIMSS. ECRI and AAMI; Orlando, Florida. 2014 Feb 23; Patient safety: Making healthcare safer-IT challenges and solutions: Incorporation safety risk management into IT processes and culture.
9. Human Factors in Healthcare. Chicago, Illinois. 2014 Mar 18; Safety and risk in health care and nuclear power: Learning from each other.
10. American Society of Anesthesiologists Simulation Education Network. Chicago, Illinois. 2014 May 2; Using research to improve practice.

### **Panel Presentation**

1. Human Factors and Ergonomics Society 54th Annual Meeting. HFES; Las Vegas, Nevada. 2011 Sep 20; Human Factors Training in Aviation and Healthcare □ What We Know Works Best and How to put it into Practice.
2. Human Factors and Ergonomics Society 54th Annual Meeting. HFES; Las Vegas, Nevada. 2011 Sep 22; Integrating Human Factors into Everyday Healthcare Work.
3. Human Factors and Ergonomics Society 54th Annual Meeting. HFES; Las Vegas, Nevada. 2011 Sep 23; Simulation in Healthcare □ One Size Fits All.
4. Anesthesia Professionals and the Use of Advanced Medical Technologies. Anesthesia Patient Safety Foundation.; Scottsdale, Arizona. 2013 Sep 18; The fallacy of the training panacea.

### **Workshop**

1. Karolinska Institute; Stockholm, Sweden. 2011 May 26; Human factors methods in healthcare.
2. American Society of Anesthesiologists Annual Meeting, APSF Board of Directors Workshop. ASA & APSF; Chicago, Illinois. 2011 Oct 15; Current Anesthesia Patient Safety Issues: Help Set the Priorities for Immediate Short-Term Resolution.
